INTRODUCTION

Budget Message

William C. Poe, Jr., City Manager

Honorable Mayor and City Council:

This current fiscal year millage rate is 6.25 mills. The proposed budget draft as presented is based on a millage of 6.25 mills, which will generate \$10,591,741 in ad valorem taxes based on a citywide property valuation of \$1,783,872,087. Last year's valuation was \$1,547,329,562 and the ad valorem generated was \$9,839,560. Total budget expenditures are expected to be \$135,911,380.

- The proposed budget is balanced and is based on the 6.25 millage rate as approved by Council.
- Employee salary and benefits are included under each department. Total costs for health care increased 8.5%.
- The proposed budget includes a percentage raise to all non bargaining unit employees of 6%.
- **Administration** Continue to implement the new City re-branding city wide as well as around City Hall.
- **Human Resources** Property & casualty is estimated to increase by 20%. These estimated expenditures will be transferred into the new Internal Service Fund.
- **IT** budgeted \$15,000 for a new server at City Hall and \$31,500 for police laptops.
- **Police** expenses will include \$247,500 for continued building improvements. In addition, there will be \$540,900 (Penny Funds) for the purchase 8 replacement vehicles, \$175,000 for new handheld radios (Penny Funds) and \$500,000 (Impact Fees) for a new training facility.
- **Fire** has merged with Pasco County Fire Rescue and our payment to them will be \$176,032. Interlocal agreement will be completed November 1, 2026.
- **Fleet Maintenance** will spend \$119,000 on a new 1/2 ton pick up truck, hydraulic hose crimping machine, mig welder, plasma cutter, tire changing machine and diagnostic scanner.
- **Stormwater** has budgeted \$1,000,000 for 9th Ave stormwater improvements (State App & Penny Funds), \$50,000 for retention pond fencing, \$300,000 for stormwater masterplan designs at C ave, 20th St & 4th Ave.
- **Streets** will spend \$1,000,000 for street resurfacing (GasTax), \$1,200,000 on City sidewalks/trails (Penny Funds) and \$2,000,000 on hot spot intersection improvements (Impact Fees).
- **Parks** will spend \$12,864,367 towards the new City Yard facility (General Fund) and \$16,000,000 on Zephyr Park Improvements (General & State App Funds).
- **CRA** revenues are expected to increase from \$1,347,996 to \$1,727,812. Capital projects include: \$600,000 for 8th St & Oakside Neighborhood Improvements, \$150,000 for park and entrance signage and public art opportunities, \$250,000 for the Backyard Project, \$992,000 for the renovation of Clock Plaza, \$150,000 for sidewalks within the CRA and \$477,000 towards land acquisition.
- **Water** major projects include City Yard facility \$11,551,129, Meter and Backflow Replacement \$1,710,000, drinking water well rehabilitations \$175,000 and backflow replacement program \$180,000. Equipment purchases include \$200,000 for 2 new vehicle purchases, \$50,000 for a trailer mounted air compressor and pneumatic moles and \$50,000 for SCADA system upgrades.
- **Wastewater** major projects include digester rehab \$1,000,000, sewer gravity pipe lining \$800,000, lift station major rehabs \$550,000, manhole major rehabs \$250,000 and a new large crane truck \$225,000.
- **Airport** will spend \$30,000 on 2 new golf carts.
- **Sanitation** will spend \$3,510,818 towards the new City Yard facility, \$1,319,000 on a 30CY side loader garbage truck, 15CY side loader garbage truck, body & packer replacements, currotto can, hydraulic cylinders, mig welder, new SUV, new skid steer, 24ft trailer and 65 gallon recycling carts.

Major Projects for FY2026

- Sidewalks and Trails \$1,200,000 (P4P)
- Annual Road Resurfacing \$1,000,000 (Gas Tax)
- Stormwater Design Phase \$300,000 (P4P)
- Zephyr Park Improvements \$16,000,000 (General Fund & State Appropriation)
- Gateway Project \$500,000 (Transportation Impact Fee)
- City Yard Facility \$27,926,314 (General Fund, Utility Fund, Sanitation Fund)
- Meter and Backflow Replacement \$1,710,000 (Utility Fund)
- Digester Rehabilitation \$1,000,000 (Utility Fund)

Personnel Changes

- Accounting Specialist +1 (RECLASS)
- Code Support Specialist +1 (NEW)
- Sanitation Driver +1 (NEW)

Sincerely,

A handwritten signature in black ink that reads "William C. Poe, Jr." with a stylized flourish at the end.

William C. Poe, Jr.

Historic Overview

Abbott Station

When Pasco County was formed in 1887, the site of Abbott forerunner of Zephyrhills was controlled by Simon J. Temple, who had purchased the land from Florida Railway and Navigation Corp. on November 11, 1886, paying \$1,026.69 for 280.74 acres. Abbott, named for a Dr. Abbott who ran a drug store and practiced medicine, was laid out for Temple and the plot recorded April 18, 1888. It became a voting precinct in 1893 and “Station” was added to the name in 1896 when the Seaboard Coast Line depot was built to facilitate the shipping of naval stores and lumber. In the early 1900’s the land was covered with virgin pine. Old-timers recall four operational phases, each of which left its imprint on the community. Successively, the pine trees were tapped for turpentine production, and then cut for lumber, the stumps uprooted and pushed out, and then the land seeded to pasture or set in citrus groves.

Zephyrhills

Captain H.B. Jeffries, a Civil War veteran from Pennsylvania, chose the Abbott Station location in December 1909, for a veteran colony because the land was high and fertile, there was an abundance of good water, and the area had no swamps, malaria or mosquitoes. While showing the countryside to prospective residents from the top of LeHeup Hill on historic Fort King Road, he overheard a chance remark about the rolling hills and Zephyr-like breezes. Impressed by the melodic combination, he coined the name “Zephyrhills” for this colony company which was founded January 1910.

On March 10, 1910, Abbott Station officially changed its name to Zephyrhills. The town was incorporated November 17, 1914, and on February 15, 1916, the charter granted by the Florida Legislature in 1915 was ratified at a meeting held in the Grand Army of the Republic (GAR) Hall – which now is the American Legion Hall – by a vote of 65 for and 12 against.

Detail Overview

Our Narrative

Nestled in the heart of Florida, Zephyrhills beckons with its warm embrace and a promise of endless adventures. From the moment you arrive, you're greeted with a sense of belonging that's as refreshing as a glass of the crystal-clear spring water that led it to be called the city of pure water. But Zephyrhills isn't just a place. It's an invitation to jump right in – to a world of natural beauty, vibrant community, heart-pounding skydiving experiences and thriving business opportunities.

Even more than the allure of its namesake springs—the area's rich history and natural oases have been drawing visitors and residents for generations. Families and friends gather in local parks to play and picnic, residents enjoy room to stretch out and enjoy their beautiful surroundings. Enduring legends and lore speak of the rejuvenating powers of this place, inspiring you to jump right in – to relax, explore and refresh.

But Zephyrhills isn't just about its environment – it's about the people who call it home. As you wander through the historic streets, you'll find yourself drawn to the welcoming atmosphere of small town living with ready access to all of the modern conveniences you need. The vibrant Main Street offers local shops, eateries, and gatherings each offering a unique taste of the community's character. With all this and fun, family-friendly events throughout the year, Zephyrhills beckons you to jump right in – to the heart of its close-knit community.

Beyond its natural beauty and sense of community, Zephyrhills presents a landscape of business potential. The town's strategic location provides ready access to major highways, combined with an in-town Municipal Airport that makes it a prime destination for entrepreneurs and investors alike. With space available, a growing population of new talent bringing their fresh ideas and ambition and a supportive local government, the path to success is as simple as – jump right in.

Zephyrhills has earned its place on the skydiving map too with its state-of-the-art facilities and a community of skydiving enthusiasts that's second to none. Skydive City, located at the heart of the airport, has become a hub for both seasoned jumpers and those taking their first leap. The thrill of freefalling over the stunning Florida landscape, with the Gulf of Mexico in the distance is an experience that is hard to put into words. From the rush of the freefall to the embrace of the skydiving community, this place embodies the spirit to jump right in—to the unknown with open arms and let your dreams take flight.

For those that prefer to remain on solid ground, the community delivers a wonderful park system for all to enjoy along with a bustling YMCA. Perhaps the crown jewel of sporting pursuits here is relative newcomer to the community, the Sarah Vande Berg Tennis Center. This world-class facility stands as a testament to Zephyrhills' commitment to sports and community. It is more than just a collection of courts; offering professional coaches and a welcoming atmosphere, it's a place where friendships are forged, victories are celebrated, and the love for sports is cherished.

The center offers the opportunity for tennis enthusiasts of all skill levels to jump right in—to the excitement of the game.

Whether you're considering a permanent move or just a visit, Zephyrhills offers a life where you can dive into a world of opportunities, both natural and professional. So, take a leap of faith into the vibrant tapestry of Zephyrhills. Let the flow wash away your worries, the community embrace you, and the business prospects propel you toward your dreams. In Zephyrhills, the sky's the limit, the people are warm, and the possibilities are endless.

Jump Right In.

Profile of the Government

The City of Zephyrhills, a municipal corporation of the State of Florida located in Pasco County, was initially incorporated on Nov. 17, 1914.

Zephyrhills is strategically located in Central Florida, along the I-4 corridor nestled between three large metropolitan cities: 30 miles northeast of Tampa, and 75 miles southwest of Orlando, and within 25 miles northwest of Lakeland.

Zephyrhills prides itself on its hometown charm of a warm, thriving, and welcoming community. With its network of highways, state roads, active rail lines, and municipal airport that run through the community, Zephyrhills provides the perfect location for all types of aviation, manufacturing, and distribution ventures.

In addition, Zephyrhills offers a business-friendly climate welcoming an assortment of small, family-owned and independent establishments.

Zephyrhills has a reputation as a proud, passionate community that offers safe walkable neighborhoods, charming historic districts, prideful local schools, and unique retail, dining and entertainment options.

The City's location, climate, natural resources, and sense of community have influenced the City's growth. Residents and visitors enjoy numerous year-round recreational opportunities, which results in the perfect blend of community and prosperity.

Zephyrhills citizens enjoy a full range of services including general government, airport, police, streets, parks and facilities management, planning, zoning, community redevelopment, code enforcement, and public library.

The City also provides water, wastewater treatment and solid waste as enterprise activities. Fire rescue services are contracted out through Pasco County, with two stations in the municipal limits. Electric, telephone, gas and cable television services are provided by franchisees. The City includes a dependent special district called the Community Redevelopment Agency.

City Structure

The City operates under the Council/Manager form of government.

A Mayor and five Council members are elected at large for a four-year term with no term limits, which constitute the governing body of the City with legislative authority. The Mayor and City Council serve as representatives of the electors of the City of Zephyrhills and are responsible for establishing the direction and policies of all affairs of the City.

Their primary duties include exercising legislative leadership and policy to promulgate the laws and ordinances of the City, approving an annual budget to provide for the needs and services of the City, setting policy and direction for the various functions of City government, and appointing citizens to serve on various advisory boards and committees.

The City Manager is the chief administrative officer of the City and responsible to the City Council for administration of all City affairs and performance of its municipal functions. The City Manager appoints, removes and determines compensation for the department heads and all other City employees, except those specified by the Charter.

Redevelopment

Although it functions within the City of Zephyrhills, the Zephyrhills Community Redevelopment Agency (CRA) is a separate and distinct legal entity. The Zephyrhills City Council also serves as the appointed board governing the Zephyrhills CRA.

The CRA encompasses approximately 501.6 acres in the historic downtown area, which includes the following core neighborhoods: Hercules, Historic Jeffries, Historic Abbott, Moore's Estate, Zephyr Lake, Oakside and Plaza, respectively.

The CRA is a dependent special district in which any future increases in property values are set aside in a Trust Fund to support economic development and redevelopment projects within the designated district.

CRA Boards do not establish policy for the city or county, they develop and administer a Master Plan to implement that policy. The CRA acts officially as a body distinct and separate from the governing body, even when it is the same group of people.

The CRA has certain powers the city or county by itself may not do, such as establish tax increment financing, and leverage local public funds with private dollars to make redevelopment happen. The CRA term is limited to 30 years, 40 years if extended, after that time all tax revenues are retained by each taxing entity that contributed to the CRA Trust Fund.

Comprehensive Plan and Zoning Code

The City of Zephyrhills Planning Department advises the City Manager, City Council, the business community and the general public on general planning and regulatory development issues.

The Planning Department is committed to providing the community with high-quality, proactive services and programs to enhance the quality of life of the City's residents, businesses and visitors, and to promote a well-designed, sustainable, physically integrated, livable and economically diverse and prosperous community.

The Planning Department is in the process of updating the City's adopted 2025 Comprehensive Plan, referred to as PlanZephyrhills2035.

This City of Zephyrhills Comprehensive Plan takes a long view to envision the places where people will live, work, learn, play, socialize, maintain health, and preserve assets for the benefit of current and future generations.

The Comprehensive Plan looks out 10 years, at minimum, to identify and address needs, such as an adequate drinking water supply, and wants, such as spaces for arts, culture, and other leisure activities.

Local Economy

The City's very location – in the middle of an impressive framework of highways, rail lines, a major sea port and several airports just north of Tampa Bay and the I-4 corridor – makes it a desirable area to grow a business.

Additionally, the City also has passed ordinances meant to entice new businesses and industries with attractive incentives. The City boasts highly competitive prices for real property, previously-approved development parks and public facilities that meet the needs of the business community.

Leading industries in Zephyrhills include healthcare and social assistance, manufacturing, and retail trade. Among the top employers are Florida Medical Clinic, AdventHealth, Blue Triton Brands (formerly Zephyrhills Bottled Water Company), Morrow Steel, and Heyl Truck Lines, respectively.

BUDGET OVERVIEW

Executive Summary

Citywide revenues and expenditures at \$135.91 million are \$30.64 million more than the 2025 budget. A summary follows with details provided at the Fund level.

Personnel Services – The 2026 budget funds a 6% increase on October 1 for all non bargaining unit employees and a 8.5% increase for health insurance. With the 8.5% health insurance increase and a salary increase to all employees, the City's personnel increased 7.87% from \$19,183,608 in Fiscal Year 2025 to \$19,735,948 in 2026. The City overall position count can be found under the Personnel Summary.

Operating Expenditures – This category increased 5.24% from \$12,244,862 to \$12,922,379. The property & casualty insurance was increased by 20% to create an Internal Service Fund.

Capital Outlay – The budgeted appropriation in this category increased from \$51,542,612 to \$69,867,917. Significant projects for FY2026 include City Yard Redesign \$27,926,314, Hot Spot Improvements \$2,000,000, Sidewalks and Trails \$1,200,000 and Zephyr Park Improvements \$16,000,000. A complete list of capital outlay is located under Capital Improvements.

Debt – Total budgeted debt service payments increased by \$1,239,545 from \$2,860,179 to \$4,099,724. Debt Service includes the annual payments on the state revolving fund loans used to build the wastewater treatment plant which matures in 2028 and 2040, AWT upgrade which matures in 2043, Reclaimed Water Line which matures 2043; the annual payment for the City hall loan which has a final payment in 2032; and the loan on our AMI Metering System/Software, which has a final payment in 2026. New debt service acquired in FY 2026, \$31 million in bonds to finance the City Yard Redesign, Zephyr Park Improvements and Alice Hall Improvements.

Contributions – This category decreased from \$2,214,500 to \$440,000. One contributing factor to this decrease is the removal of the economic development grants in place for new businesses Bauducco and MiTek.

GENERAL FUND

The General Fund budget increased \$35,765,494 from \$21,609,084 to \$57,374,579. This is a result of the 6% increase on October 1 for all non bargaining unit employees and a 8.5% increase for health insurance. A 20% increase in property & casualty insurance premium and \$26,214,367 is capital improvements. This includes the approval of 1 new full time position.

Revenues

Ad Valorem Tax – The City's gross taxable value increased from \$1,574,329,562 at prior year final certification to \$1,783,872,087 – an increase of \$209,542,525. Budgeted ad valorem taxes increased by \$1,244,159 to \$10,591,741, the millage rate remained the same at 6.2500.

The millage rate remained the same at 6.2500 mills, which is more than the rolled-back rate of 6.0848 mills per \$1,000 assessed property value. Property values are based on the market at the end of 2024. The City of Zephyrhills has an optimistic outlook for the future. The following table provides a recap of millage levied for the past six years.

	2019-20	2020-21	2021-22	2022-23	2023-24	2024-25
Millage Rate						
(Mills per \$1,000)	6.3500	6.3500	6.2500	6.2500	6.2500	6.2500

The Fiscal Year 2025-2026 budgeted revenues include \$13,298,436 of unspent fund balance carried forward from Fiscal Year 2024-2025.

Expenditures

With a percentage increase of 6% increase on October 1 for all non bargaining unit employees, a health insurance increase of 8.5%, personnel costs increased 6.3% from \$13,331,034 to \$14,227,607. Operating expenditures decreased \$501,615 from \$5,810,883 to \$5,303,268 due to property & casualty insurance premiums being expended out of the new Internal Service Fund.

SPECIAL REVENUE FUND

The Special Revenue Fund contains the budget for all City gas taxes, Penny for Pasco which is the 7th penny per dollar of sales tax charged in Pasco County, American Rescue Plan Act funds and awarded State Appropriation funds. All of these funds have restrictions on how they may be expended. Neither funding source may be used to cover personnel services costs. Allowable use for operating costs is very limited. Mostly, these funds may be used for capital projects or debt related to capital projects. More information on capital projects is available under the Capital Outlay in the back of the budget book.

CRA FUND

The Community Redevelopment Area (CRA) Fund was established in 1998 and is funded through tax increment financing. The dollar value of all real property in the original Community Redevelopment Area was determined as of 1998, also known as the "frozen value". In 2012, the Community Redevelopment Area district was enlarged. The dollar value of the expansion area was determined as of 2012 and frozen. The City and the County continue to receive property tax revenues based on the frozen value. These frozen value revenues are available for general government purposes. However, any tax revenues from increases in real property value, referred to as "tax increment," are deposited into the Community Redevelopment Agency Fund and dedicated to the redevelopment area. Property values are increasing in the CRA, resulting in increased revenue for the Community Redevelopment Agency.

IMPACT FEE FUND

The Impact Fee Fund contains the budget for all impact fees collected by the City except for Water and Wastewater capacity fees. The collection of impact fees related to new or proposed development assists in paying for a portion of the growth related costs that the development may cause. Current economic conditions have slowed development and the related collection of impact fees. Several capital projects have been budgeted to be paid from impact fee funds. More information is available in Capital Outlay in the back of the budget book.

UTILITY CAPACITY FEE FUND

The Utility Capacity Fee Fund was created in Fiscal Year 2011-2012 to separately account for capacity fees – or connection fees - related to the City's Utility Fund. These funds may be used to pay for projects related to growth or added capacity and may be used to pay debt on projects related to growth or added capacity. Wastewater connection fee reserves have been budgeted toward wastewater treatment plant debt and water connection fee reserves have been budgeted for qualified water capital projects. More information is available at the back of the budget book in Capital Outlay.

ENTERPRISE FUND – UTILITY FUND

Utility Fund Fiscal Year 2025-2026 expenses increased by \$7,285,370 or 21.15% over Fiscal Year 2024-2025. The major impact on this year's budget was the increase in capital projects. Capital projects include City Yard Building \$11,551,129; Meter & Backflow Replacement \$1,710,000 and Digester Rehab \$1,000,000.

Revenues: Charges for Services revenues are budgeted to increase by 3% over last year's budget with an approved utility rate ordinance that goes into effect on October 1.

Expenses: With a 6% increase on October 1 for all non bargaining unit employees and a 8.5% increase for health insurance contributed to the \$423,998 or 11.43% increase in budgeted personnel services costs. Operating expenses have decreased by \$274,683 or 6.44%, this is due to property & casualty insurance premiums being expended out of the new Internal Service Fund. Capital purchases and projects, which increased by \$6,595,129, are detailed following each division's line item budget and located under Capital Improvements. Debt service increased \$367,816 or 14.07% to include the repayment of the new bond financing.

ENTERPRISE FUND – AIRPORT FUND

The Airport Fund budget decreased from \$20,588,594 to \$2,571,640 because of the decrease in state grants and appropriations and capital projects.

Revenues: Charges for Services revenues are budgeted \$64,437 or 3.18% less than the previous year. This is primarily due to a projected decrease in airport rentals, leases and fuel sales.

Expenses: Airport personnel costs increased with a 6% increase on October 1 for all non bargaining unit employees and a 8.5% increase for health insurance. Operating costs have decreased by \$111,989 or 42.94%. This is due to property & casualty insurance premiums being expended out of the new Internal Service Fund. Capital Outlay has decreased by \$16,665,000, many projects have been started in FY 2025 and will carry forward into FY 2026. More detail on Airport capital projects is located under Capital Improvements.

ENTERPRISE FUND – SANITATION FUND

The Sanitation Fund reflects a \$3,718,199 or 48.5% increase in expenses for a total 2025-2026 annual budget of \$7,665,386.

Revenues: Charges for Services revenues increased \$148,320 based on an 2.5% increase in rates tied to the consumer price index and new growth in newly constructed living units.

Expenses: Personnel costs increased with a 6% increase on October 1 for all non bargaining unit employees and a 8.5% increase for health insurance. Budgeted operating expenses decreased from \$874,905 to \$865,400. Capital outlay increased from \$1,110,500 to \$4,884,818 as the city is purchasing a 30CY side loader garbage truck, 15CY side loader garbage truck, body & packer replacements, currotto can, hydraulic cylinders, mig welder, new SUV, new skid steer, 24ft trailer and 65 gallon recycling carts.

INTERNAL SERVICE FUND

The Internal Service Fund was created in Fiscal Year 2025-2026 to manage all self-insurance liability coverage for the City including payment of general and automobile liability claims. This program accounts for the operation of the Risk Management Department, payment of claims, and costs associated with defending claims against the City. Revenues for the Internal Service Fund are received from other funds in the form of operating transfers to ensure stability of reserves and to fully cover the projected operating expenditures of the Self-Insurance Program.

Budget Process

Budget Review and Adoption: The Budget process is a year-long event. The budget for the fiscal year is implemented beginning **October 1** and runs through the fiscal year ending **September 30**. Each year, generally in **December and January**, the City prepares its Audited Financial Statements, which is audited by a firm of independent certified public accountants. These Statements provide the results of the prior year, including comparisons of actual revenues and expenditures to budgeted revenues and expenditures, a form of monitoring budget compliance.

Production of the budget numbers begins in **April and May** with the preparation of the individual department's operating budget and capital outlay requests, while the Finance Director completes preliminary revenue estimates. Capital outlay requests undergo a vigorous review. In **June and July**, the City Manager and Finance Director begin an extensive review process with the respective departments and revise the budget accordingly. At the same time, the Finance Director finalizes revenue estimates and recommends budget revisions to the City Manager.

No later than **July 1**, the County Property Appraiser provides an assessment of the value of all property to the City. Also no later than **August 4**, based on the Property Appraiser's preliminary numbers, the City Council approves the millage certification including tentative millage rate, rolled-back rate, and date, time, and place for the September public hearings and provides budgetary guidance. The tentative millage rate and hearing data is provided to the County Property Appraiser for distribution to City property owners. Upon the City Manager's review and approval, the Finance Director compiles the proposed budget. Budget workshops are held during **August** to discuss and refine the proposed budget. During **September**, in accordance with the timing specified in Florida Law (F.S. 200.065), the budget is adopted at a series of two public hearings. At the same public hearings, ad valorem millage rates required to fund the budget are adopted. The public is invited and encouraged to attend and participate in all work sessions and public hearings.

Budgetary Control: The budget process allows for amendments during the year as conditions warrant. The City Council is authorized to make such changes to the budget as it deems necessary for the proper and economical operation of the City. If, at any time during the fiscal year, the City Manager recommends the re-appropriation of funds not needed for the purpose for which they were appropriated, or the appropriation of any unappropriated cash surplus, the City Council may appropriate such funds to any municipal purpose. An amendment may be initiated by the Finance Director, reviewed and approved by the City Manager, and submitted to the City Council for consideration. With the City Council approval, the fund appropriations are realigned. In addition, the enabling legislation allows the City Manager or Finance Director to transfer part or all of any encumbered appropriated balance among programs and/or broad characters within an operating fund. Department directors are authorized to move funds within broad characters of its respective divisions and between the same broad characters of divisions in the same fund. Transfers between broad characters or departments must be approved by the City Manager. Transfers may not be made between funds.

Budgetary Basis: Budgets for funds that have formal budgetary integration are prepared in accordance with generally accepted accounting principles. This includes an original appropriation ordinance and any other budget amendments adopted by the City Council. Appropriations for these funds lapse at the end of each fiscal year.

Budgets for governmental funds are adopted using the modified accrual basis of accounting. Revenues are recognized when they become measurable and available. Expenditures are recognized in the period in which the fund liability is incurred (except matured interest on general long-term debt, which is recognized when due). While budgets for the proprietary fund types are not required by generally accepted accounting principles (GAAP) or by state or local law, they are adopted using the modified accrual basis of accounting to provide for comparability with the other funds.

Accounting and Financial Policies

Basis of Presentation: The City's accounts are organized by funds or account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for in separate self-balancing accounts which comprise its assets and other debits, liabilities, fund equities and other credits, revenues, and expenditures or expenses. Government resources are allocated to and for individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds and account groups are reported by generic classification within the budget and other financial statements.

Basis of Accounting and Measurement Focus: Basis of accounting refers to the point revenues and expenditures are recognized in the accounts and relates to the timing of the measurements, regardless of the measurement focus applied. All governmental funds are accounted for using the modified accrual basis of accounting. Their revenues are recognized in the period in which they become susceptible to accrual; i.e., when they become measurable and available to pay liabilities of the current period. Ad valorem taxes, special assessments, and charges for services are susceptible to accrual when collected in the current year or within 60 days subsequent to year-end; provided that amounts received pertain to billings through the fiscal year just ended. Intergovernmental revenues, which include state revenue sharing allotments, local government one-half cent sales tax, and county-shared revenue, among other sources, are recorded in accordance with their legal or contractual requirements if collected in the current period or within 60 days after year-end. Interest is recorded when earned. Other miscellaneous revenues are recorded as revenues when received in cash because they are generally not measurable until actually received. Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred. Exceptions to this general rule include principal and interest on long-term debt which is recognized when due.

Enterprise funds are accounted for using the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when incurred. Unbilled utility service receivables are estimated and recorded at year-end. Fees collected in advance of the period to which they apply are recorded as deferred revenue.

Budget Accounting: State of Florida Statutes requires that all municipal governments establish budgetary systems and approve annual operating budgets. Budgets are adopted consistent with generally accepted accounting principles. The City adopts a non-appropriated operating budget for enterprise funds substantially consistent with generally accepted accounting principles. All appropriations lapse at fiscal year-end unless specifically designated to be carried forward.

Cash and Investments: Cash and investments of each fund, except certain investments in the debt service and enterprise funds, are accounted for in pooled cash and investment accounts with each fund maintaining its proportionate equity in the pool accounts. The use of a pooled cash and investments account enables the Council to invest idle cash for short periods of time, thereby maximizing earnings potential. Income earned from pooling cash and investments is allocated to the respective funds based upon average monthly proportionate balances. The funds are diversified; invested in U.S. Treasury Securities and Agencies, CDs, local government pools, and money market accounts.

Capitalization Threshold: This budget has been prepared with a capitalization threshold of \$5,000.

Interfund Transactions: During the course of normal operations, it is necessary for the City to enter into interfund transactions among its various funds. These transactions consist of one or more of the following types:

- Payments from a fund responsible for the expenditures or expenses to a fund that initially paid the cost to provide a service.
- Operating transfers in and out, as appropriate, for all interfund transactions that are shown as other financing sources or uses.
- All other outstanding balances between funds are reported as "due to/from other funds."

Financial Structure

The City of Zephyrhills utilizes a **fund structure**, whereby a fund is a fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities or balances and changes therein, which are segregated for the purpose of conducting specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations. Funds are divided into various types according to the legal restrictions imposed upon them or by their uses. The following fund structure is contained in the budget:

Governmental Funds: Governmental Funds are accounted for on a “spending” or “financial flow” measurement focus. Accordingly, the budgeted fund balances provide an indicator of available, spendable resources.

General Fund - The general fund of a government unit serves as the primary reporting vehicle for current government operations including Police, Fire, Public Works, Library, Planning, Building, Finance and Administration. The general fund accounts for all current financial resources not required by law to be accounted for in another fund.

Special Revenue Funds - The special revenue funds account for the proceeds of specific revenue sources that are legally restricted to expenditure for specified purposes other than debt service or capital projects. This budget contains four Special Revenue Funds: Special Revenue Fund, CRA Fund, Impact Fee Fund and Utility Capacity Fee Fund.

Proprietary Funds: Proprietary Funds are accounted for on a cost of services or “capital maintenance” measurement focus. Accordingly, assets, liabilities, and net assets included on their balance sheet, and operating statements provide an indication of the economic net worth of the fund.

Enterprise Funds - The enterprise funds account for operations that are financed and operated in a manner similar to private business enterprises. Enterprise Funds budgeted and included in the document are: Utility Fund, Airport Fund and Sanitation Fund.

Internal Service Funds - The Internal Service Fund was created to manage all self-insurance liability coverage for the City including payment of general and automobile liability claims. This program accounts for the operation of the Risk Management Department, payment of claims, and costs associated with defending claims against the City.

Revenue Forecast Methodology

A balanced budget is presented for each of the City's funds. Revenues are estimated, and fund balance is appropriated only to the extent that appropriations exceed estimated revenues. The purpose of detailing forecast methodologies for revenues is to determine the validity of the forecast over time and to utilize the information in making future forecasts.

Revenues are classified pursuant to the uniform classification of accounts prescribed by the State Comptroller's office. The following information provides a fund-by-fund basis for major revenues forecasted in the Fiscal Year 2024-2025 budget:

General Fund

Ad valorem property tax – The specific formula used to budget ad valorem tax revenues is to multiply the approved millage rate of 6.25 per \$1,000 by the aggregate assessed property value (as certified by the County Property Appraiser) less 5%.

$$(1,783,872,087 \times 6.25/1000) \times 95\%$$

The 2025 property value estimate of \$1,783,872,087 represents an increase of \$209,542,525 or 11.75% over the 2024 final taxable value of \$1,574,329,562. The increase can be attributed to the continued strength of the area's real estate market. The values are based on the market at the end of 2024. The millage rate has remained the same at 6.25 mills and is 2.71% more than the rolled-back rate as established by the Florida Legislature.

Service and Business Taxes – The analysis of recent trends in this revenue source category indicates revenues have been relatively stable compared to last year.

Permits, Fees & Special Assessments - Includes building and utility permits, development review fees, franchise fees, and other local permits all of which have dropped. Franchise fees from electric and gas utilities are included in this category and remained relatively stable over the past five years.

Intergovernmental Revenues - Includes federal, state, and local grant revenue. State Shared Revenues include cigarette tax, half-cent sales tax, and alcoholic beverage licenses.

Charges for Services - Includes payment in lieu of taxes, certification and copy of City documents and records, sale of official maps and publications, recording, inspection, and other user charges.

Fines and Forfeitures - Includes court fines, traffic violations, parking tickets, false alarms, library fines, and other penalties. These estimates are developed from historical data trends, which remain relatively constant from year to year.

Miscellaneous Revenues - Includes interest on investments, rents, sales of surplus property, insurance proceeds from lost or destroyed property, refunds, contributions, and revenues that are not more properly recorded in other classifications. The revenues in this category are examined based on economic conditions and use a variety of methods to develop good estimates.

Transfers - Includes interfund transfers and administrative overhead allocation charges. Overhead allocations are based on the equitable share of goods and services provided by one City department for another.

Cash Balance Carry Forward – This budgeted item represents a source of revenue previously accumulated in the fund.

Special Revenue Fund

Penny for Pasco – This tax is to be utilized for non-personnel related and non-operating costs such as, but not limited to, the construction costs of renovations, additions or new construction of various government facilities of diverse types and uses; public safety capital assets such as police cars and fire engines; City drainage projects; and City park enhancements or additions. Financing is provided through a local option sales surtax and the interest revenue earned. Voters renewed this local option sales tax slated to expire in late 2039 for an additional 15 years. The current '1 penny' local option sales tax expires in December of 2039.

Intergovernmental Revenues - Includes state and county shared revenues such as the City's share of state collected motor fuel taxes. Historical trend analysis is used in conjunction with state forecasts. The City anticipates and has budgeted for a significant drop beginning Fiscal Year 2014-2015 in County Gas Taxes due to action taken by the County. This may significantly impair the City's ability to fund road maintenance projects.

CRA Fund

Community Redevelopment Agency – The Zephyrhills Community Redevelopment Agency was formed as a special district by Council Resolution number 437 adopted March 9, 1998. This special district is fully dependent on the City and its funding and expenditures. Declining property values have adversely impacted funds available for the Community Redevelopment Agency. The district was enlarged in 2012 to include midtown (US 301 corridor).

Impact Fee Fund

Impact Fees - The collection of impact fees related to new or proposed development assists in paying for a portion of the growth related costs that the development may cause. Current economic conditions have slowed development and the related collection of impact fees.

Utility Capacity Fee Fund

Utility Capacity Fees - May be used to pay Utility Fund debt and used for capital projects related to growth. The City's development activity remains strong.

Enterprise Funds

Charges for Services – Are designed to recover the cost of City services provided to customers. In addition to day to day operating costs, rates are designed to include the costs of maintaining and/or replacing system infrastructure. The projections are calculated by assessing current consumption, adjusting to match historic trend analysis and allowing for changes in assumptions based on growth, fees, and rate increases. Annexations of property with customers in the utility area outside the City have a negative effect on water and sewer revenue, but generate additional revenue for the Sanitation and General Funds.

Utility Fund

A water and wastewater rate study presented to City Council during Fiscal Year 2016-2017 revealed that the City charges the second lowest rates in the area and recommended rate increases be enacted over the next five (5) years. Adequate rates must be charged to ensure costs are covered, system deterioration is prevented and bond covenants are met. The City's citizens can continue to enjoy some of the lowest rates in the area.

Airport Fund

Revenue estimates are developed from historical data trends, which remain relatively constant from year to year. Revenues are primarily from rents, service fees, and fuel sales.

Sanitation Fund

Revenue estimates are developed from historical data trends, which remain relatively constant from year to year. Annexations and a strong rate increase tied to the Consumer Price Index (CPI) have contributed to a substantial increase in budgeted operating revenue.

Internal Service Fund

The Internal Service Fund was created in Fiscal Year 2025-2026 to manage all self-insurance liability coverage for the City including payment of general and automobile liability claims. This program accounts for the operation of the Risk Management Department, payment of claims, and costs associated with defending claims against the City. Revenues for the Internal Service Fund are received from other funds in the form of operating transfers to ensure stability of reserves and to fully cover the projected operating expenditures of the Self-Insurance Program.

Total Budget Summary

BUDGET SUMMARY CITY OF ZEPHYRHILLS - FISCAL YEAR 2025-2026 THE PROPOSED OPERATING BUDGET EXPENDITURES OF CITY OF ZEPHYRHILLS ARE 5.6% MORE THAN LAST YEAR'S TOTAL OPERATING EXPENDITURES

City Council

General Fund
Org Code: 01001100

The Mayor and City Council serve as representatives of the electors of the City of Zephyrhills and are responsible for establishing the direction and policies of all affairs of the City.

Their primary duties include exercising legislative leadership and policy to promulgate the laws and ordinances of the City, approving an annual budget to provide for the needs and services of the City, setting policy and direction for the various functions of City government, and appointing citizens to serve on various advisory boards and committees.

Mission Statement

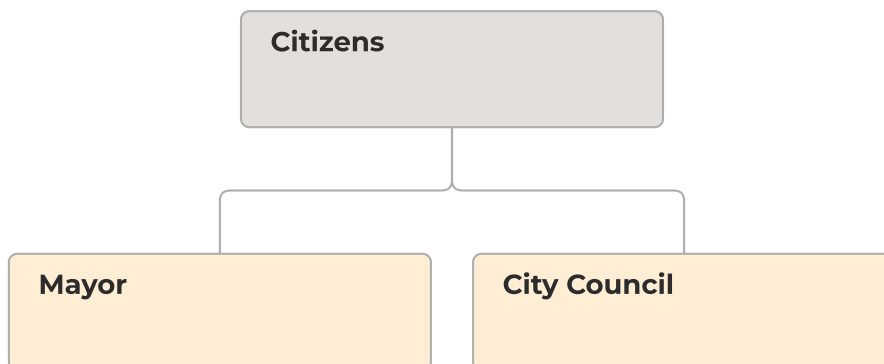

"Zephyrhills is a friendly community which respects and embraces its past and heritage, values the diversity of its residents, and encourages economic growth and development while retaining its small town, neighborly charm."

Administration

General Fund

Org Code: 01001200

Administration includes the Offices of the City Manager, City Clerk, and Public Information Officer.

The City Manager serves at the pleasure of City Council as the City's Chief Administrative Officer. The City Manager is responsible for administering policies established by City Council and overseeing the City's day-to-day activities to provide effective delivery of all municipal services and programs. The City Manager presents recommendations to City Council for policy adoption through ordinance and/or resolution; maintaining a well-trained and motivated workforce; developing and implementing a fiscally responsive annual budget; and delivering a sound public relations program that emphasizes a transparent government operation.

The City Clerk is under the general supervision of the City Manager. This position is a City Charter position which provides services to the Mayor, City Council, City Manager and City staff. The City Clerk's office maintains, records and preserves all official documents and proceedings of the City Council and serves as the Records Management Liaison Officer to the State of Florida archives; provides public notices, prepares and distributes City Council agendas and minutes, provides access to public records, and coordinates the codification and publication of the City's Code of Ordinances. The City Clerk Office qualifies candidates and manages municipal elections. The City Clerk's Office is dedicated to continuing the preservation of the City's history.

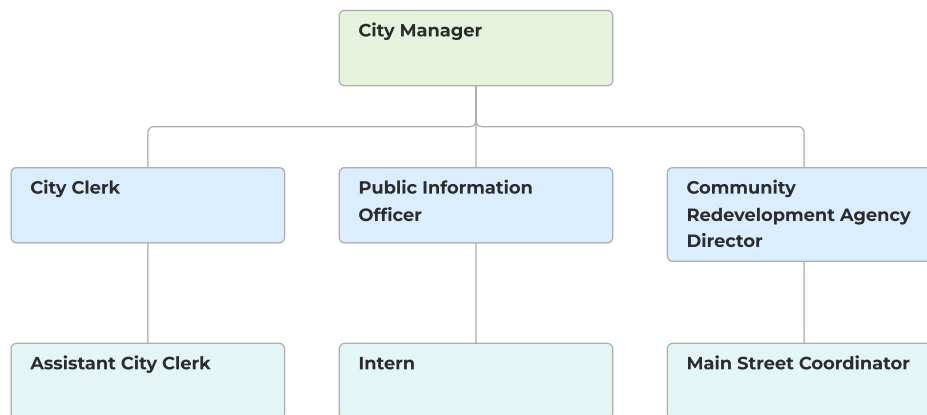

The Public Information Officer is accomplished under the general supervision of the City Manager in collaboration with all departments to promote a positive image of the city while providing educational information to the public and employees. The office develops, implements, and assesses strategic plans and objectives to reach optimum presence and results in the media and the community and provides consultation and support to executive staff on subjects of public information and community relations activities. The Public Information Officer(s), or PIO, serves as the spokesperson for the departments. The office is also responsible for disseminating information through multiple mediums to the public and media, outside agencies, and internally.

Human Resources

General Fund

Org Code: 01001370

Human Resources (HR) is responsible for managing the people-related aspects and has a focus on the workforce to ensure that we are effectively recruiting, developing, utilizing, and retaining employees. Key responsibilities of HR include recruitment/hiring, training, and development, employee relations, compensation, and benefits. Other duties include participating in Union negotiations, employee wellness, and engagement, overseeing the drug-free workplace program, administering the Federal Medical Leave Act (FMLA), ADA compliance, and other labor law regulations, state laws, and statutes.

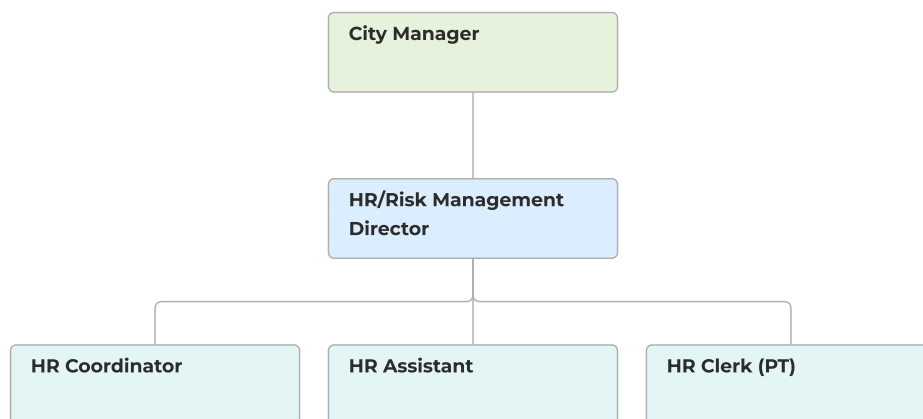

Risk Management (RM) is responsible for identifying, assessing, and mitigating various types of risks that the City may face. RM handles potential risks, all insurance claims, all insurance property renewals, measures to reduce or mitigate identified risks, workers' compensation, risk transfer, safety committee, compliance, and regulations to comply with the organization's standards. Additional duties are responding to unexpected events, crises, and natural disasters.

Planning

General Fund

Org Code: 01001500

The Planning Department plays a vital role in guiding the city's growth, ensuring that development is orderly, sustainable, and aligned with the city's vision, goals, and policies. The department's staff is committed to enhancing the community's quality of life through well-designed, physically integrated, environmentally sustainable, and economically resilient places. The Planning Department also advises the City Manager, City Council, and the general public on planning and regulatory development issues.

Key departmental functions include:

- ***Long-Range Planning:*** Developing and maintaining the City's Comprehensive Plan and formulating strategic initiatives to address future opportunities and challenges.
- ***Development Review:*** Analyzing applications for Future Land Use Map and Zoning Atlas amendments, site development plans, and subdivision plans to ensure compliance with the Comprehensive Plan and Land Development Code. Coordinating the permitting process for new developments, redevelopments, and change of use requests and managing variances, conditional uses, and special exceptions to meet all legal and regulatory requirements.
- ***Internal and External Agency Coordination:*** Collaborating with City departments and agency stakeholders to ensure coordinated and comprehensive planning and implementation for aspects of development.
- ***Community Engagement:*** Actively involving residents, businesses, and other stakeholders in planning processes to help shape a city that reflects the desires of the community and enhances overall livability.
- ***Economic Development:*** Supporting economic growth by working with businesses, developers, and other economic development partners to promote local investment and job creation.
- ***Historic Preservation:*** Administering programs to preserve historic structures and neighborhoods, including managing design guidelines and incentives for preservation.
- ***Urban Design:*** Enhancing the aesthetic quality and functionality of streetscapes and other spaces through urban design initiatives, contributing to a more attractive and cohesive urban environment.
- ***GIS:*** Working collaboratively with all City Departments in creating / updating data a comprehensive Map Series.

Information Technology

General Fund

Org Code: 01001600

It is the mission of the Information Technology Division to meet the ever-changing technology needs of its users, within an integrated network environment comprised of many locations and functions. The division will continually strive to improve the network and the computer environment, of the end user and our stakeholders, through research and use of new technology for overall effective and efficient use of City resources, while limiting the need for specialized and expensive consultative support.

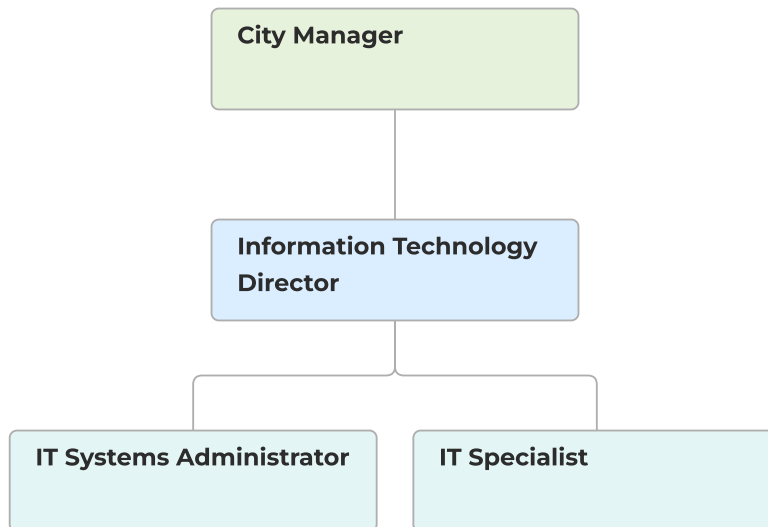

The Information Technology Division is responsible for researching, evaluating, purchasing, installing, and maintaining all City-owned computer related equipment and software. While maintaining an emphasis on customer service, the division provides technology support and training to all City departments and staff.

Police

General Fund

Org Code: 01002100

The City of Zephyrhills Police Department (ZPD) serves ever aware of the following mission statement:

*"The Zephyrhills Police Department mission is to protect the lives, property, and rights of all people as well as provide quality **service** with **respect** and **dignity**."*

At full staff, ZPD is comprised of 47 sworn officers plus 16 civilian support staff. ZPD is a full-service law enforcement agency serving a resident population of over 20,000 people with a large influx of seasonal visitors who make Zephyrhills their winter home. The Department recognizes its core values as the following:

CORE VALUES

RESPECT: Embrace individual character, personality, lifestyle, culture, ethnicity, and uniqueness as well as honor diverse life and work styles. We operate in a spirit of cooperation and value human dignity; however, expect the same consideration in return.

HONOR: Always act with the utmost integrity, and be honest and truthful. Enforce the laws equally and without bias. Hold yourself and other members to the highest ethical standards.

INTEGRITY: We place the highest value on honesty and adherence to a strict code of ethics; we will always engage in behavior beyond ethical reproach to maintain public confidence.

SERVICE: Putting responsibilities before self-interest, performing duties to meet the needs of others, promoting partnerships to identify and solve problems, doing what is right for the community.

KNOWLEDGE: We seek truth, awareness, and understanding through investigation, education, and experience.

DIGNITY: Always consider the right of a person to be valued and respected for his or her own sake, and to be treated ethically.

TEAMWORK: Teamwork is essential to the successful operation of the Department. The team must include all employees working in partnership with each other and the community to attain our goals.

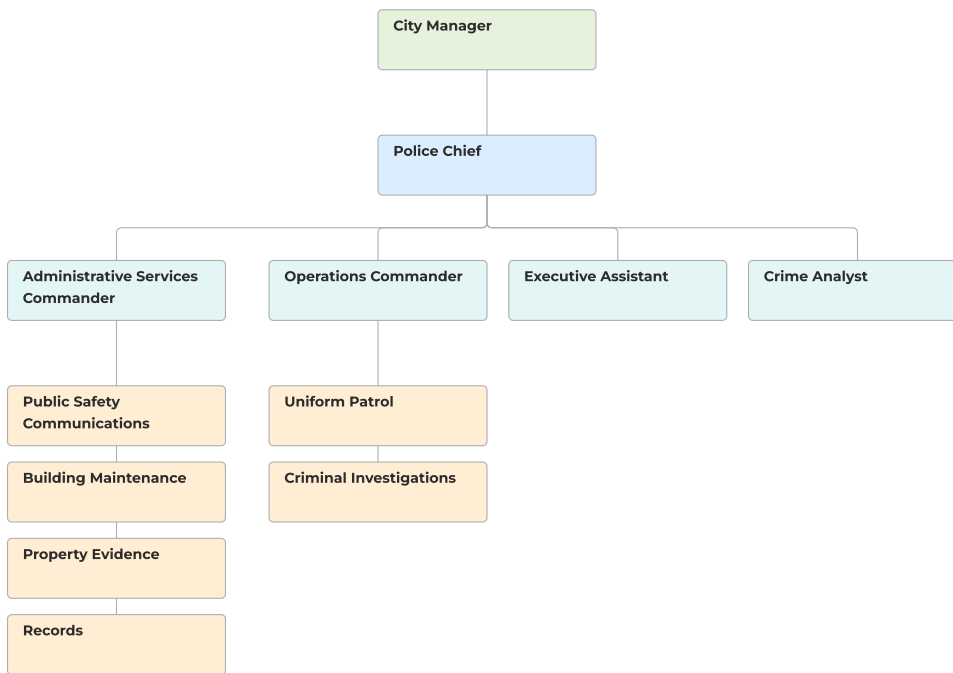

The Zephyrhills Police Department's mission statement is influenced by the principles of community-oriented policing. Community policing is a collaborative effort between the police department and the community that identifies crime and disorder problems and involves all elements of the population in the search for solutions to these problems. It is founded on close, mutually beneficial ties between police and community members. Effective community policing has a positive impact on reducing neighborhood crime, helping to overcome the fear of crime, and enhancing the community's quality of life. It accomplishes these things by combining the police, local government, and community members' efforts and resources. The Zephyrhills Police Department has adopted a community policing philosophy and will act as a facilitating agency in resolving problems that face our community by utilizing community-wide resources.

Public Safety Operators

General Fund

Org Code: 01002150

Public Safety Operators play a crucial role in supporting law enforcement and public safety efforts. They serve as the primary communication link for on-duty officers, providing critical information and support. They operate base units and access information system networks to manage data related to warrants, driver's licenses, and vehicle registrations. Operators enter information about missing persons and stolen property into the NCIC/FCIC computer systems and handle requests from outside agencies. They write and manage minor reports that don't require on-scene investigation or follow-up. They respond to citizen complaints and act as the initial point of contact for Public Works outside of regular business hours. They monitor in-house and city-wide security systems to enhance public safety and respond to incidents as needed.

Fire

General Fund

Org Code: 01002200

Zephyrhills Fire Rescue has protected our community for over 100 years, starting as an all-volunteer department. On September 27, 2020, marked a new chapter in the city with the merger of Zephyrhills Fire Rescue and Pasco County Fire Rescue. Part of the added benefits of the merger with Pasco County Fire Rescue is that Zephyrhills' residents now have increased staffing levels. The increased staffing will help with response times inside Zephyrhills and on the East side of Pasco County. Also, each station has one ambulance to provide faster and more efficient care. This merger was a success for both the City of Zephyrhills and Pasco County, working together to provide better service to the City and citizens in this community.

Building and Code Enforcement

General Fund

Org Code: 01002400

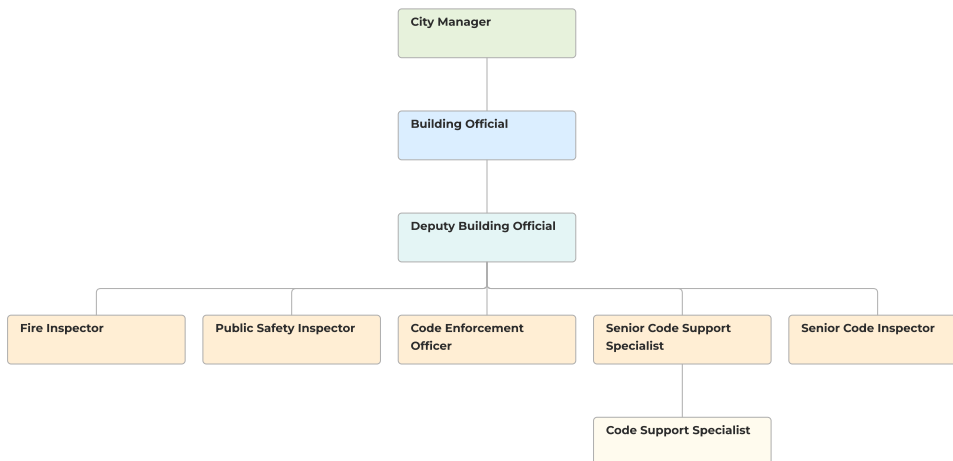

The Building, Code Enforcement and Fire Safety Department issues residential and commercial building permits to the property owners and business owners of the City of Zephyrhills. It also advises applicants about the permitting process, and provides information for all types of customer questions and requests. It reviews building plans and performs inspections to ensure compliance with the Florida Building Code. Code Enforcement staff is dedicated to the enforcement of city and state standards. These standards allow for safe and orderly practices as related to maintenance of all property, whether developed or undeveloped and other related enforcement issues.

Library

General Fund

Org Code: 01007100

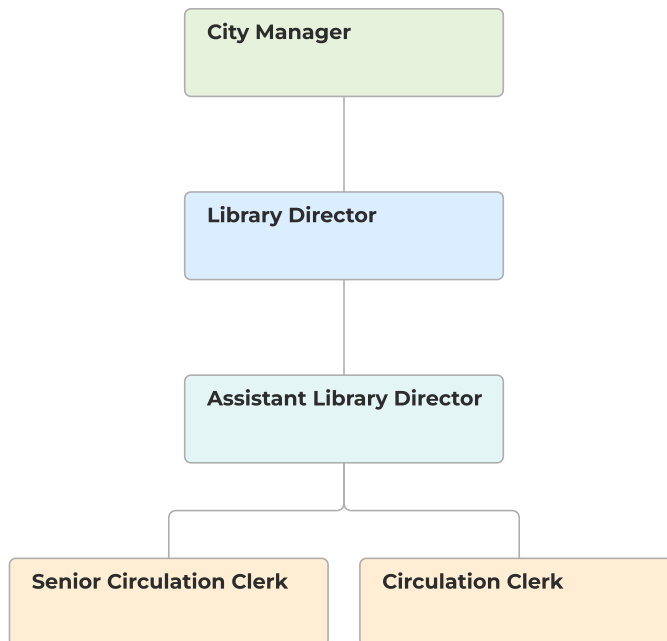

Originally founded in 1912, the Zephyrhills Public Library currently resides downtown in the heart of the community in an 8,463 sq. ft. facility that opened in December 2014. The library's mission is to encourage reading and the use of technology for life-long learning and the enhancement of the community's quality of life. The library provides open and equal access to all of its resources and services. The library offers books, audio books, DVDs, computers, free Wi-Fi, scanning, printing and copier availability as well as a variety of free classes. As a member of the Pasco County Library Cooperative, our patrons also enjoy access to a wide array of electronic databases, audiobooks, e-books, and all of the print and digital resources the county libraries offer.

Fleet Maintenance

General Fund

Org Code: 01001900

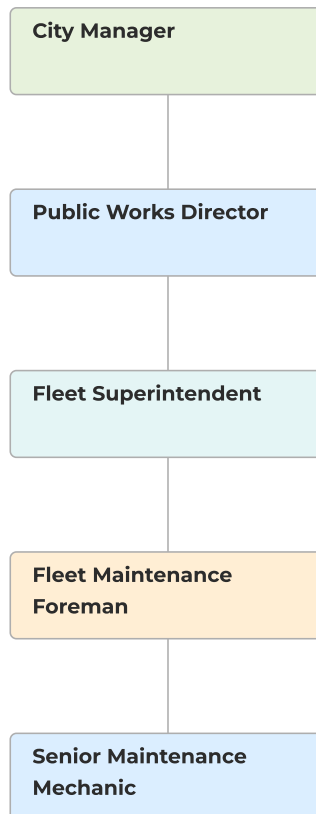

The Fleet Maintenance Division provides maintenance and repairs for all City -owned light and heavy vehicles, construction equipment, mowing equipment and emergency generators. Services offered include preventative maintenance, diagnostics, and corrective repairs along with the purchasing of repair parts, tires, fuel and lubricants. Staff evaluates City-wide vehicle efficiency to aid in the reduction of maintenance, operating and energy-related costs; makes recommendations on the replacement of existing vehicles; and reviews vehicle addition requests to ensure their suitability to the type of work to be performed. All staff mechanics are ASE certified.

Stormwater

General Fund

Org Code: 01003800

The Stormwater Management Division is responsible for the construction, cleaning, maintenance and restoration of the City's stormwater drainage infrastructure. Facilities include stormwater inlets, catch basins, french drains, road-side swales, culverts, conveyance pipes, retention and detention sites, pumping stations and outfalls. All of the City's stormwater systems require regular maintenance and inspections. The City's stormwater system is governed by a federal program: National Pollutant Discharge Elimination System (NPDES).

Parks and Facilities Management

General Fund

Org Code: 01007200

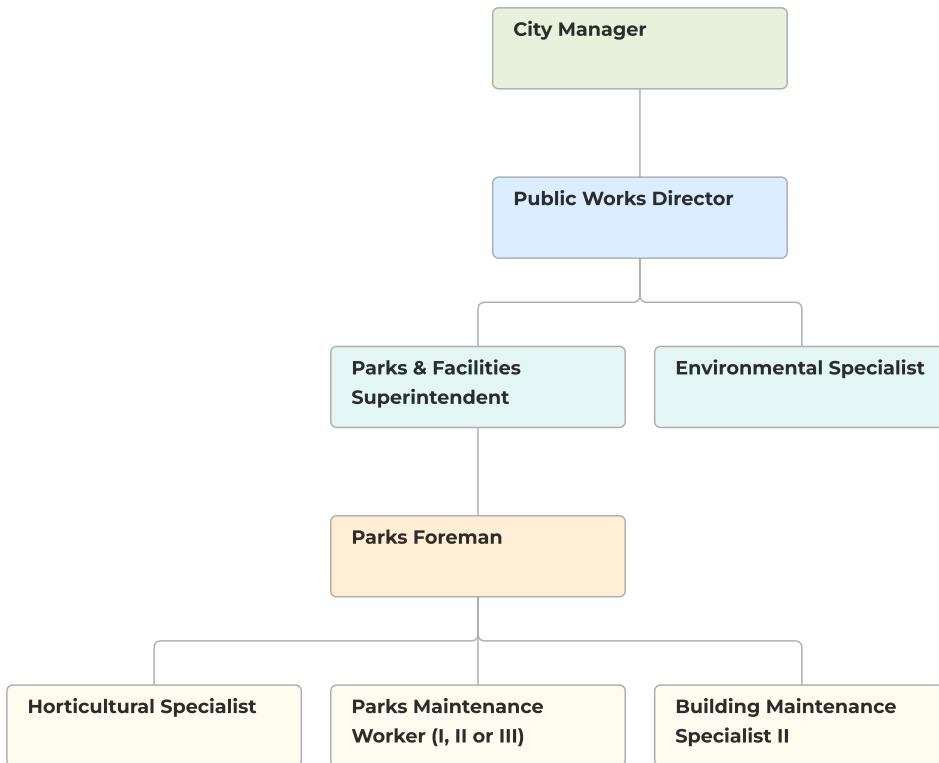

The Parks & Facilities Division is responsible for the maintenance, enhancement, and new construction of all City parks, public buildings, medians, public right of ways, litter control, athletic facilities and Oakside Cemetery. Services include mowing, trimming, landscaping design, installation & maintenance, irrigation maintenance, playground safety inspections, building remodeling, janitorial services, painting, electrical repairs, plumbing repairs, HVAC repairs, carpentry work and new construction. Staff coordinates the use of athletic facilities, administers the summer recreation program, assists with special events and provides set-ups at the Alice Hall Community Center and the Depot Museum for various special events.

Special Revenue Fund

Special Revenue Fund
Org Code: 100*

The Special Revenue Fund contains the budget for all City gas taxes, Penny for Pasco which is the 7th penny per dollar of sales tax charged in Pasco County, American Rescue Plan Act funds and awarded State Appropriation funds. All of these funds have special restrictions in how they may be expended. Neither funding source may be used to cover personnel services costs. Allowable use for operating costs is very limited. Mostly, these funds may be used for capital projects or debt related to capital projects. More information on capital projects is available under the Capital Outlay in the back of the budget book.

Community Redevelopment Agency

CRA Fund

Org Code: 11005900

The CRA is a dependent special district in which any future increases in property values are set aside in a Trust Fund to support economic development and redevelopment projects within the designated district.

Under Florida Statute Chapter 163, Part III, local governments have the ability to designate areas as Community Redevelopment Areas when certain conditions exist. To document the required conditions, the local governments must survey the proposed redevelopment area and prepare a Finding of Necessity. If the Finding of Necessity determines the required conditions of slum and blight exist, the local government may create a Community Redevelopment Agency to provide the tools needed to foster and support positive redevelopment of the targeted area. The Community Redevelopment Agency is responsible for developing and implementing the Community Redevelopment Plan or Master Plan that addresses the unique needs of the targeted area. The plan includes the overall goals for redevelopment in the area, as well as identifying the types of projects planned for the area.

Tax Increment Financing or TIF is a unique tool available to cities and counties for redevelopment activities as provided in the Master Plan. It is used to leverage public funds to promote private sector activity in the CRA. The dollar value of all real property in the Community Redevelopment Area is determined as of a fixed date, also known as the “frozen value”. Taxing Authorities continue to receive property tax revenues based on the frozen value. These frozen revenues are available for general government purposes. Any tax revenues from increases in real property value within the CRA are deposited into the Community Redevelopment Agency Trust Fund and dedicated to specific redevelopment projects and plans within the Redevelopment Area and are not for general government purposes. The tax increment revenues can be used immediately, saved for a particular project, or can be bonded to maximize the funds available.

CRA Boards do not establish policy for the city or county, they develop and administer a Master Plan to implement that policy. The CRA acts officially as a body distinct and separate from the governing body, even when it is the same group of people. The CRA has certain powers the city or county by itself may not do, such as establish tax increment financing, and leverage local public funds with private dollars to make redevelopment happen. The CRA term is limited to 30 years, 40 years if extended. After that time all tax revenues are retained by each taxing entity that contributed to the CRA Trust Fund.

Impact Fee Fund

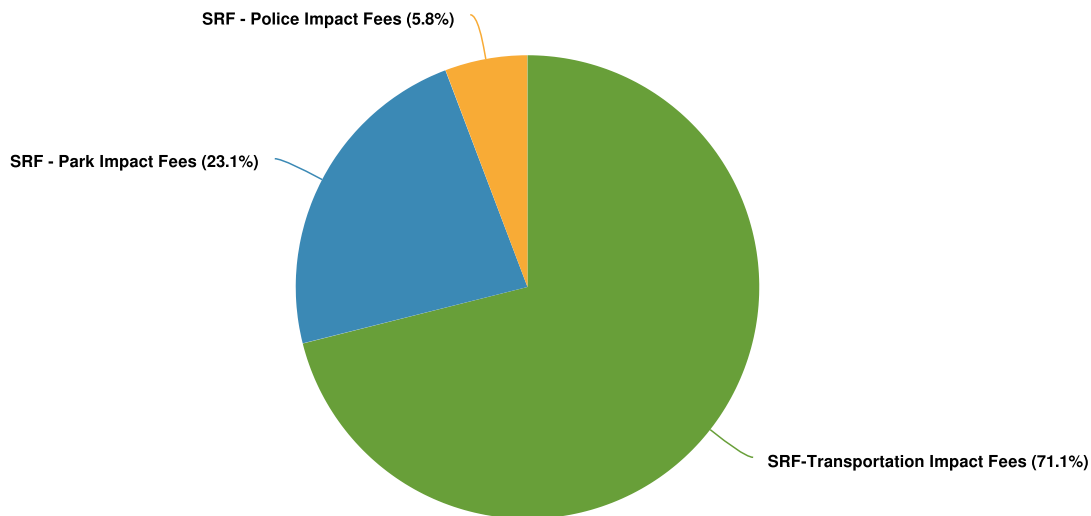

Impact Fee Fund

Org Code: 120*

The Impact Fee Fund contains the budget for all impact fees collected by the City except for Water and Wastewater Capacity fees. The collection of impact fees related to new or proposed development assists in paying for a portion of the growth related costs that the development may cause. Current economic conditions have slowed development and the related collection of impact fees. Several capital projects have been budgeted to be paid from impact fee funds. More information is available in Capital Outlay in the back of the budget book.

Utility Capacity Fee Fund

Utility Capacity Fee Fund

Org Code: 140*

The Utility Capacity Fee Fund was created in Fiscal Year 2011-2012 to separately account for capacity fees – or connection fees - related to the City's Utility Fund. These funds may be used to pay for projects related to growth or added capacity and may be used to pay debt on projects related to growth or added capacity. Wastewater connection fee reserves have been budgeted toward wastewater treatment plant debt and water connection fee reserves have been budgeted for qualified water capital projects. More information is available at the back of the budget book in Capital Outlay.

Utility Billing

Utility Fund
Org Code: 41001300

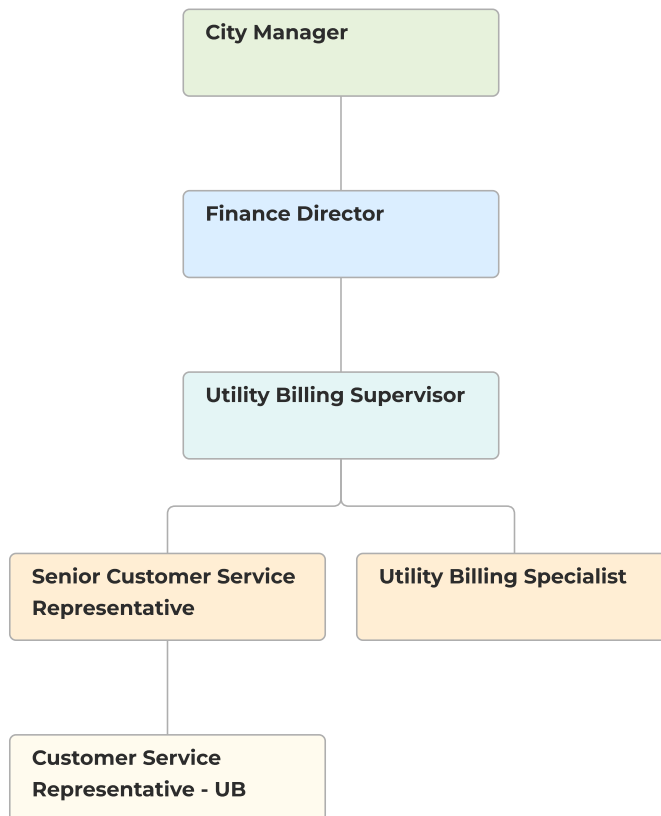

The Utility Billing (UB) Division is a division of the Finance Department. This division maintains and processes all water, sewer, and sanitation billing records; processing four scheduled billing cycles each month; and providing customer service to utility and sanitation customers regarding their accounts. In conjunction with Utility Department meter readers, UB coordinates work related to checking for leaks, lock offs, and reread orders. UB functions as the primary cash receipts area within the City, collecting and aggregating receipts from other City departments to prepare the City's daily banking deposit.

Water

Utility Fund

Org Code: 41003300

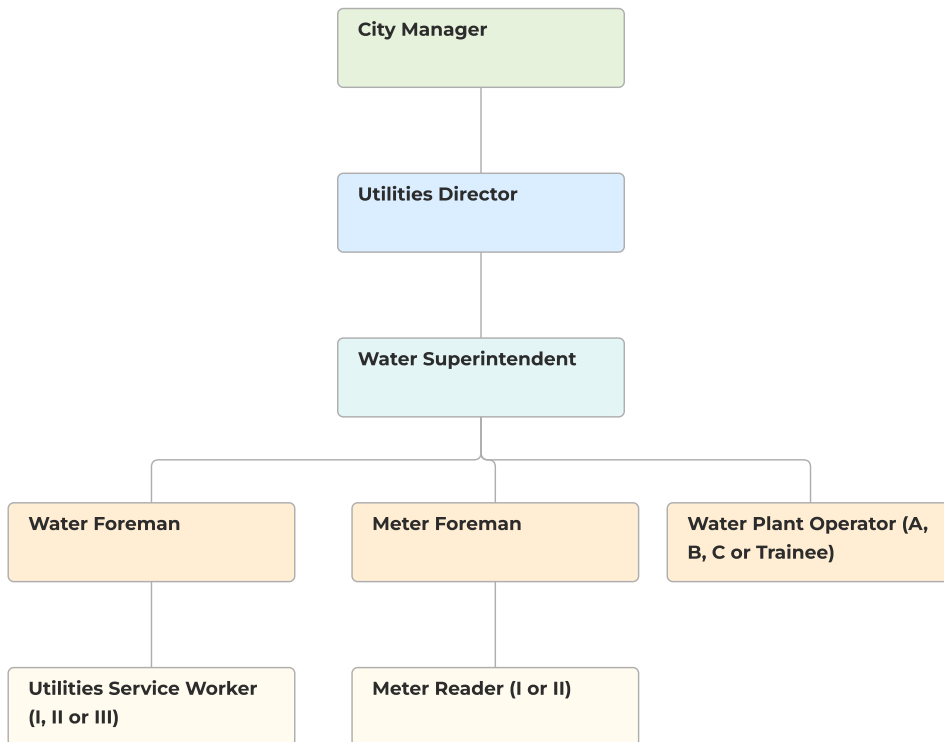

The Water Division is accountable for the City's Drinking Water Supply, treatment operations, distribution piping, and reclaimed water distribution system. This responsibility includes the water treatment operations and distribution pumping (to the customer's tap), well and distribution sampling, flushing programs, Florida Department of Environmental Protection (FDEP), and Southwest Florida Water Management District (SWFWMD) operating permits. In addition, chemical ordering, meter turn ons/turn offs/lock offs, water main breaks, Backflow Prevention Program, Cross Connection Control Program, utility locates, customer complaints, new water services, valve exercising, and operations/maintenance of the valve system, fire hydrant operation, testing, and maintenance, meter reading, meter box repairs and installation, meter change-outs and meter leaks. The FDEP and SWFWMD permits the Water Treatment Plants and distribution system. The Water Division is in charge of the operation and maintenance of this system in accordance with the operating permits and Florida Administrative Codes.

Wastewater

Utility Fund

Org Code: 41003500

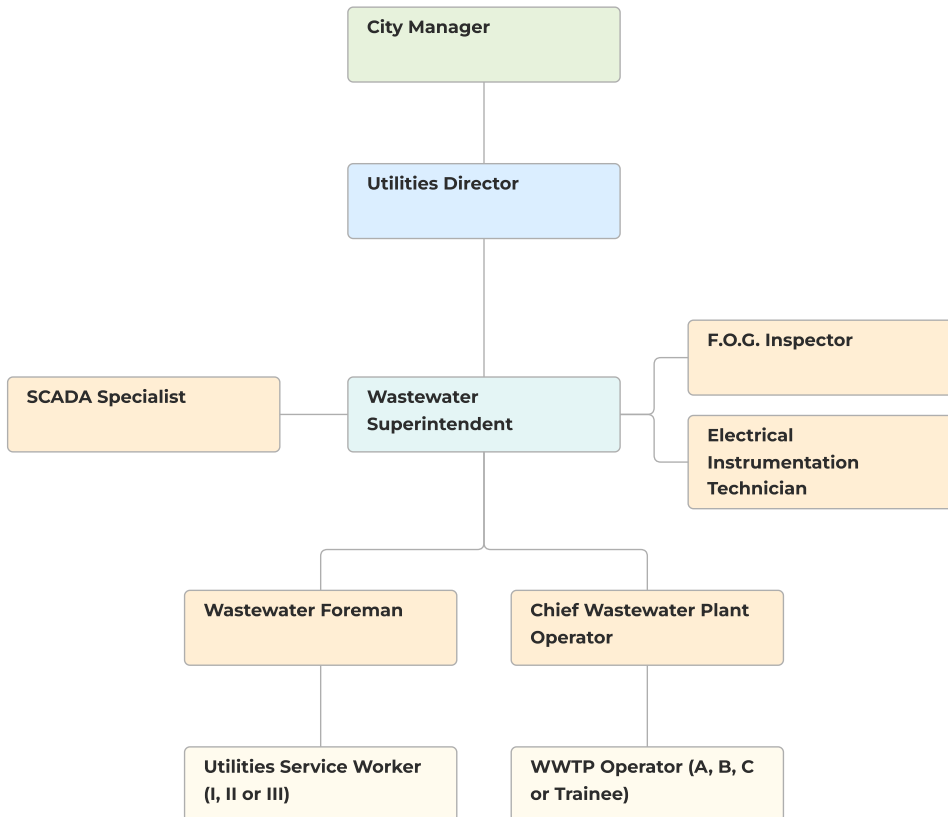

The Wastewater Division is held accountable for the operation and maintenance of the City's 4.5 million gallons per day Wastewater Treatment Plant, reclaimed water pumping station, 38 acres of rapid infiltration basins, 67 sewage lift stations and all of the City's sewer collection system. Which includes over 300 miles of gravity and pressurized underground sewer pipes and ~1,600 sanitary sewer manholes. The Division is also in charge of sewer line installations, breaks and preventative maintenance, manhole maintenance, utility locates, the Fats, Oils, and Grease Program (FOG), and customer complaints. The Florida Department of Environmental Protection (FDEP) permits the Wastewater Treatment Plant and Sewer Collection system and the Division is responsible for the proper operation and maintenance of these systems in accordance with the FDEP operating permit and Florida Administrative Codes. There are 18 employees in the Wastewater Division.

Airport

Airport Fund

Org Code: 42004200

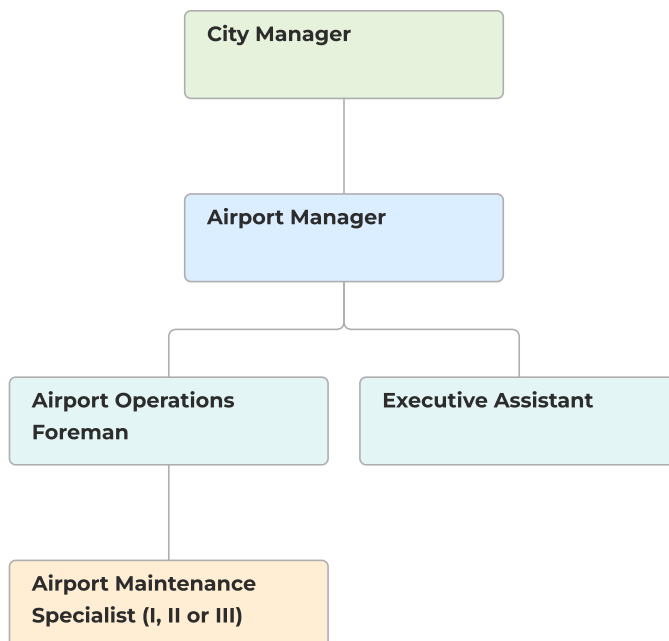

Jump right in to Zephyrhills Municipal Airport (ZPH) is in Pasco County, approximately 26 miles northeast of Tampa. The airport is publicly owned and operated by the City of Zephyrhills. The airport has two paved runways, the longest of which measures 6,200 feet long by 100 feet wide (Runway 01/19) and (05/23) which measures 5,000 feet long by 100 feet wide, both servicing 60,000 lbs. aircrafts. The airport primarily supports many aspects of General Aviation flying and local business aircraft, with pilots either stopping to refuel or to enjoy a longer weekend visit. Pilots and passengers can have lunch down town on Main Street at one of several local restaurants or experience the tranquility of one of several nearby natural areas, including the Crystal Springs Preserve, Hillsborough River State Park, or the Upper Hillsborough Preserve. The Pigz In Z'hills BBQ and Blues Fest is also a major draw. This annual event showcases BBQ, blues music, classic cars, and a military history museum. The Zephyrhills Municipal Airport also supports frequent skydiving operations. Thrill-seekers from across the world come to train and experience skydiving at Skydive City Z-Hills. Other airport tenants include Zephyr Aircraft Engines, Hawk Aircraft painting services, POSOVA Aviation, skydiving equipment manufacturers and retailers, as well as other aircraft maintenance, repair, and detail shops.

Sanitation

Sanitation Fund
Org Code: 43003400

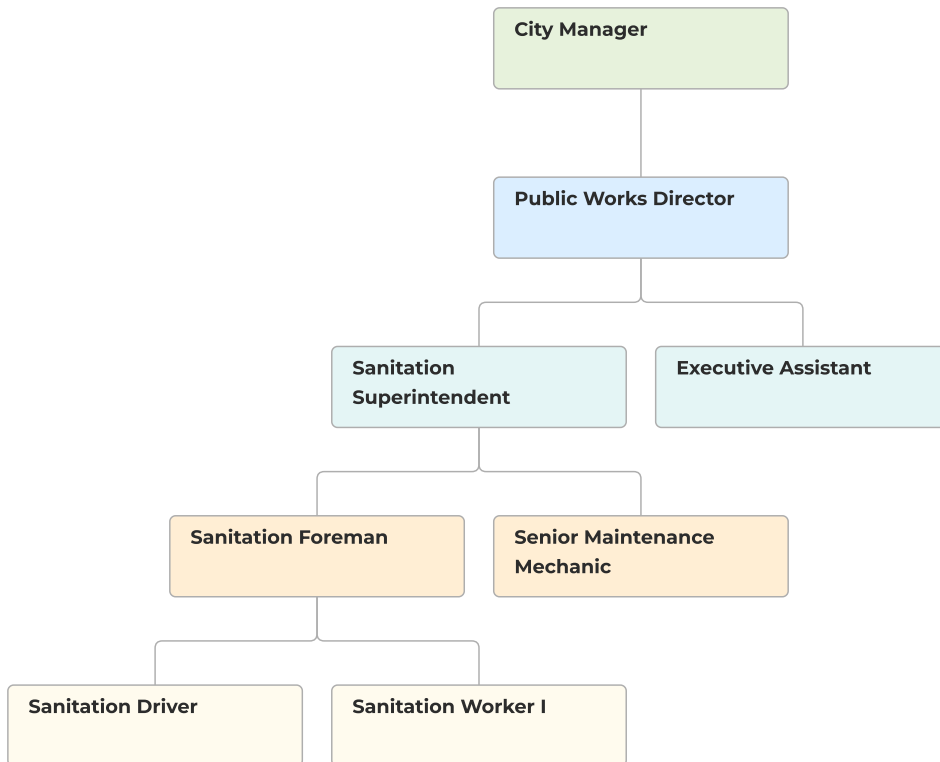

The Sanitation Division provides residential and commercial solid waste collection and disposal services. The Sanitation Division also offers bi-weekly recycling services. All solid waste and recyclables are transported to Pasco County facilities via City-owned collection vehicles for sorting and processing. Additional services include transportation of trash compactors and roll-off type construction containers. The Sanitation Division is an enterprise fund.

Internal Service Fund

The Internal Service Fund was created in Fiscal Year 2025-2026 to manage all self-insurance liability coverage for the City including payment of general and automobile liability claims. This program accounts for the operation of the Risk Management Department, payment of claims, and costs associated with defending claims against the City. Revenues for the Internal Service Fund are received from other funds in the form of operating transfers to ensure stability of reserves and to fully cover the projected operating expenditures of the Self-Insurance Program.

134 Capital Improvement Projects

Total Funding Requested by Department

Total Funding Requested by Source

Streets Requests

Itemized Requests for 2027-2030

Annual Street Resurfacing	\$3,800,000
Annual Street Resurfacing - city wide.	
City Wide Sidewalks	\$500,000
City wide sidewalks. To continue adding sidewalks based on the sidewalk master plan. Also to add missing connections to sidewalks.	
Streets Building Improvements	\$100,000
Building Improvements as needed.	
Total: \$4,400,000	

Parks & Facilities Maintenance Requests

Itemized Requests for 2027-2030

Historic Building Renovations	\$400,000
Renovations, repairs and improvements to city owned historic buildings.	
Landscaping	\$60,000
Landscaping in various areas around the City.	
Parks & Facilities Building Improvements	\$100,000
Building Improvements as needed.	
Total: \$560,000	

Fleet Maintenance Requests

Itemized Requests for 2027-2030

Fleet Building Improvements	\$100,000
Misc. Building improvements as needed.	
Total: \$100,000	

Sanitation Requests

Itemized Requests for 2027-2030

Roll Off Dumpsters	\$120,000
Purchase of new roll off dumpsters to replace around the city. These dumpsters are the larger sizes, 20 YD and 30 YD.	
Sanitation 3/4 Ton Truck	\$65,000
3/4 Ton Truck. Replaces SA91 2011 in poor condition.	
Sanitation Building Improvements	\$100,000
Building Improvements as needed.	
Sanitation Roll Off Truck	\$350,000
Replacement Roll-Off Truck. Replaces SA92 2005 Roll-Off Truck at end of service life.	
Solid Waste Collection Vehicle, Commercial Front Loader	\$400,000
New Front Load Collection Vehicle, replaces SA704 2020 Peterbilt Front Loader Note: Industry Service Life for Refuse Vehicles is a maximum of 10 years.	
Solid Waste Collection Vehicle, Front Loader	\$400,000
New Front Load Collection Vehicle, replaces SA65 2017 Peterbilt Front Loader Note: Industry Service Life for Refuse Vehicles is a maximum of 10 years.	
Solid Waste Collection Vehicle, Side-Loader	\$350,000
New Side-Load Collection Vehicle, replaces SA00 2014 Kenworth Rear Loader. Note: Industry Service Life for Refuse Vehicles is a maximum of 10 years.	
Solid Waste Dumpster Toter	\$225,000
New Dumpster Toter, replaces SA75 2015 Ford F-650 Dumpster Toter	
Total: \$2,010,000	

Utility Billing Requests

Itemized Requests for 2027-2030

Re-work the Utility Customer service Area	\$200,000
As the City has grown, the staff recommends reconfiguring the Utility Customer Service Area. There could be more room for the staff to meet with customers and move supervisors closer to front-line staff. Costs include D&E and construction.	
Total: \$200,000	

Information Technology Requests

Itemized Requests for 2027-2030

Backup Battery Replacement - City Hall	\$15,000
Backup battery replacement for UPS at City Hall - the batteries are due for a replacement cycle.	
Backup Battery Replacement - PD	\$15,000
Backup battery replacement for UPS at Police Department - the batteries are due for a replacement cycle.	
City Hall Server Replacement	\$15,000
City Hall server replacement - the server is due for a replacement cycle.	
PD Server Replacement	\$15,000
PD server replacement - the server is due for a replacement cycle.	
Total: \$60,000	

Police Requests

Itemized Requests for 2027-2030

AXON Fleet3 FY24 (28 Units)	\$176,528
Recurring contract #41-23-22.1: Q-503821 (EXP: FY33)(28) In-car camera systems and evidence storage.	
AXON Fleet3 FY25 (7 Units)	\$56,640
Recurring contract #41-24-40: Q-584881 (EXP: FY34)(7) In-car camera systems and evidence storage.	
AXON Fleet3 FY26 (5 Units)	\$44,000
(5) In-car camera systems and evidence storage.	
AXON OSP7+ FY24 (10-Yr Rewrite)	\$966,000
Recurring 10-Year Rewrite Contract #25-23-02 (EXP: FY33)Includes equipment/evidence storageFY24: Q-503152 (48) Plans + (5) Additional Plans/Yr (EXP: FY33)	
CIS Vehicle Radio Equipment (8)	\$100,000
New vehicle radio equipment	
CIS Vehicles FY26 (8)	\$2,633,721
(8) Vehicles: (1) K-9; (4) CIS; (3) SRT Pricing includes striping/equipment/lights & accessories/in-car printers Projection: (8) replacement vehicles annually @ ~\$67,000/ea plus \$7,500 for upgrades to existing fleet.	
Flock Safety Falcon System (6)	\$72,000
License Plate Readers - Service Agreement Q-134193	
Total: \$4,048,889	

Wastewater Requests

Itemized Requests for 2027-2030

Gravity Sewer Line Rehabilitations	\$3,500,000
---	--------------------

Lining of old sewer lines that have been cracked/broken to get rid of any potential of infiltration of groundwater into the collections system.

Inventory - Wastewater	\$80,000
-------------------------------	-----------------

All items and/or services purchased under this object code must be entered into the asset inventory system and then entered into work orders as the items are used or services rendered.

Lift Station Major Rehabilitations	\$2,400,000
---	--------------------

This project is to continue with the rehabilitation / repairs of our lift stations. This will be an on-going project from year to year where we do a total rehab. of approximately 3 lift stations per year.

Lift Station Odor Control	\$250,000
----------------------------------	------------------

This will be a multi-year project to install additional odor control systems at specific lift stations. This process reduces the hydrogen sulfide production within the force mains to reduce the odors at the lift station.

Sewer Manhole Rehabilitations	\$1,000,000
--------------------------------------	--------------------

This project is to continue with the rehabilitation / repair of our sewer manholes. This will be an ongoing project from year to year.

Sludge Holding Tank 1 & 2 Rehabilitation	\$550,000
---	------------------

The sludge-holding tank needs to be emptied, all the surfaces inside and out need to be recoated, the main gear box needs to be replaced, all the metal structure needs to be sand-blasted and recoated. One tank this next FY, one the following FY as...

Total: \$7,780,000

Water Department Requests

Itemized Requests for 2027-2030

Backflow Replacement	\$950,000
-----------------------------	------------------

Change out all Dual Check Valves throughout the City with new trackable models. This is in accordance with FDEP rule 62-555.360-2 which states that Dual Check Valves (DuC's) "shall be refurbished or replaced at least once every 5 to 10 years...

Drinking Water Well Rehabilitation	\$650,000
---	------------------

This project includes the pulling & rewinding of the motor, inspection of the (pump/drop pipe/shafts & bearings), & the scouring of the well casing at Well # 4. This will also include new reagent less chlorine analyzers at wells 4...

Inventory - Water	\$2,000,000
--------------------------	--------------------

All items and/or services purchased under this object code must be entered into the asset inventory system and then entered into work orders as the items are used or services rendered. Purchase of meters, pipes, tubing, fittings, valves and other...

Meter and Backflow Replacement Program	\$3,020,000
---	--------------------

This will be a 3-year project which will replace approximately 10,000 meters and backflow devices. The meters that were not replaced when Fathom replaced the majority of them, the remaining meters are at the end of their normal useful...

SCADA System Maintenance and/or Upgrades	\$160,000
---	------------------

This project will be to purchase emergency back-up cards for our wells, the booster pumping station site, and the interconnect site. Also, for upgrades to antennas that are necessary for radio frequency communication. To include potential...

Total: \$6,780,000

Library Requests

Itemized Requests for 2027-2030

New Flooring	\$50,000
---------------------	-----------------

New flooring (non-carpet) for the library. Top priority, meeting room.

Purchase New Library Books and Materials	\$140,000
---	------------------

Purchase of new library materials like regular print books, large print books, DVDs, audiobooks, children's books, etc.

Total: \$190,000

Stormwater Management Requests

Itemized Requests for 2027-2030

Retention Pond Fencing	\$200,000
-------------------------------	------------------

Replace Retention Pond Fencing as needed.

Total: \$200,000

Airport Requests

Itemized Requests for 2027-2030

6th avenue realignment	\$5,500,000
Realignment of 6th Avenue.	
Airport Master Plan update	\$500,000
Airport Masterplan update.	
Design and construct two-10 unit t-hangars	\$3,700,000
Design and construct two 10-unit t-hangars.	
FBO Terminal Construction	\$6,000,000
FBO Terminal construction. Working on obtaining state appropriation.	
Fuel Inventory for Resale	\$4,260,000
Fuel inventory for resale.	
Realignment of South avenue phase I	\$1,650,000
Realignment of South Avenue for additional t-hangar development, Phase 1.	
Storm Water Master Plan	\$1,000,000
Storm water master-plan build out. Site development for future storm water projects.	
T-hangar Rehabilitation	\$700,000
Seal remaining t-hangar roofs.	
Total: \$23,310,000	

Police Dispatch Requests

Itemized Requests for 2027-2030

Dispatch Consolidation - Central Square (Software/Subscriptions)	\$264,257
Central Square Contract #41-23-21 (CAD Software Maintenance) 47 Subscriptions - Required for Pasco County system access(Initial Term: 07/10/2023 - 07/10/2028)5% Annual Increase	
Total: \$264,257
